TOPICS FOR MINISTRY

For Women's Groups - teachings or retreats etc.

Knowing God's Heart -

Jeremiah 24:7 "then I will give them a heart to know me, that I am the Lord.."

How well do you know God's heart, His character and His Plan? God has promised to reveal his heart to His people. Like David, we can be people after God's own heart.

(This could be a series of teachings.)

Freedom in Forgiveness:

Scripture says we must forgive. How can we do that when we have been wounded, abused and offended. Freedom comes from forgiving the offender or obtaining forgiveness when you offended.

Generational Curses:

How does God's grace set us free from generational curses and humanism?

Cleansing Power of His Blood:

Every person is a sinner -- falling short of the mark -- the perfection of our Father. God is not only just, but He loves us so much He sent His perfect Son to shed His sinless Blood for us.

You Are Special:

God has specially formed women in His image. A teaching on who we are in Christ.

Hope for Hurting People:

Ruth shares from her own hurt in standing for a wayward daughter for 15 years and the hope given her by our loving Heavenly Father.

Israel and the Church or Jewish Roots of the Church or Israel Today

The Most Important City of the World - Jerusalem

(A study of Jerusalem)

Jewish history beginning with Abraham. Understand why Jerusalem today is fulfilling Zech. 12:2, "I will make Jerusalem a cup of reeling to all the peoples round about."

Jewish Roots:

Jesus was a Jew and lived in a Jewish nation. The early church was first of all Jewish, before Gentiles joined in after Acts. 10. Learn how New Testament scriptures are tied to our Jewish Heritage.

Feast Days Of the Lord

God established seven annual Jewish feast days. Learn their meaning and order to understand God's timetable for the body of Christ.

Passover Seder for Christians:

Celebrate a Passover supper that will reveal Christ's plan for redemption for those who believe. Jesus celebrated Passover with His disciples at His Last Supper with them.

Seminar on "Gateways to Abundant Life"

A study of the gates of Jerusalem from the Sheep Gate (salvation) to the Eastern gate (Christ's Return). Each gate represents phases of our Christian Walk with steps for persevering and overcoming.
